EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Randol Read on October 12, 2005.

The application has been amended as follows:

IN THE ABSTRACT

In line 1, replace "Embodiments described herein provide an" with -An--.

IN THE CLAIMS

In claim 17, line 1, replace "15" with -16--.

2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant: In the new Figure 4 (filed October 4, 2005), replace reference number "331" with -333--. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

3. The following is an examiner's statement of reasons for allowance: Amended claim 1 (October 4, 2005) incorporates the subject matter of previous claim 4, which was indicated as being allowable if rewritten in independent form. Particularly, the prior art of record fails to

explicitly show or fairly suggest the combination of elements of claim 1 including the double moving bellows forming a hermetic space and having a sectional surface of a doughnut shape, wherein the moving bellows is extended and contracted by amount of inner air of the hermetic space. Although a bellows (or a plurality of separate bellows) are used as an actuator in the prior art (note 154 of Figure 19 of Wendlandt ('477)), there is not explicitly teaching or suggestion in this or any other prior art of record to use the double moving bellows structure as claimed in claim 1. Therefore, claim 1 is allowable.

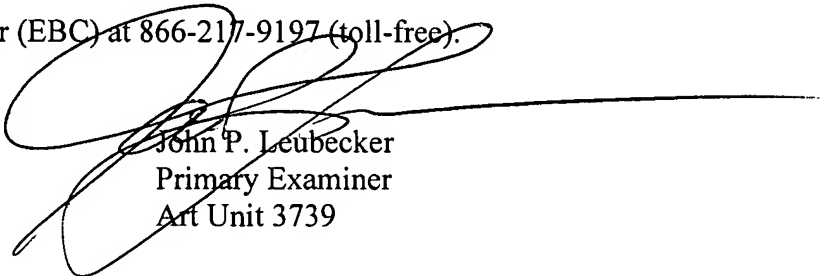

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
